I Did Not Know That!

"And (the murderer) shall dwell therein until the death of the Kohen Gadol (35:25)." Since the murderer was being pursued by the go'el hadam (avenger of blood), why was it safe for him to leave the city of refuge after the death of the Kohen Gadol?

"These are the journeys of the Bnei Yisrael, who went out of Egypt (33:1)."

The Torah states that these were journeys from Egypt rather than to Eretz Yisrael to teach that each stage in their journey was part of their going out of Egypt.

**Answers to this Week’s Questions**

All references are to the verses and Rashi’s commentary, unless otherwise stated.

1. 33:1 - To show the love of Hashem for the Jewish People. Although it was decreed that they wander in the desert, they did not travel continuously. During the span of the 38 years they moved only 20 times.

2. 33:18 - The meraglim slandered the Land.

3. 33:38 - By “Divine kiss.”

4. 33:40 - When Aaron died, the ananei kavod (clouds of glory) which protected the Jewish People departed.

5. 33:49 - Twelve miles.

6. 34:2 - Because there are certain mitzvos that apply in the Land, but not outside of the Land.

7. 34:3 - Egypt along the southwest corner, Edom along the southern border, and Mav at the southeastern corner.

8. 34:17 - Each Nasi represented his Tribe in the division among the Tribes. He also allocated the inheritance to each family in his Tribe.

9. 35:2 - An open area of land which served to beautify the city.

10. 35:4 - 2,000 amos. The inner 1,000 was the “migrash”, and the outer 1,000 was for their fields and vineyards.

11. 35:12 - From the go’el hadam (avenger of blood), a close relative of the deceased who had the right to avenge the victim’s death.

12. 35:13 - Moshe.

13. 35:13 - After Yehoshua separated three cities on the western side of the Jordan.

14. 35:14 - Because murderers were more numerous on the eastern side of the Jordan.

15. 35:16 - One which is capable of inflicting a lethal injury.

16. 35:19 - No. The cities of refuge don’t shelter intentional murderers.

17. 35:25 - Because the Kohen Gadol causes the shechina to dwell in Israel and prolongs life, and the murderer causes the shechina to be removed from Israel and shortened life. The murderer is not worthy to stand in the vicinity of the Kohen Gadol.

18. 36:3 - When she has a son, the son will inherit the field and the field will move from the possession of one tribe to another.

19. 36:4 - It remains in the possession of the new tribe.

20. 36:8 - If he has no sons.

**Bonus**

When the Kohen Gadol died the magnitude of the loss effected the entire Jewish nation, resulting in repentance on a national level. The go’el hadam, effected by the tragic loss repented, also. This would have a calming effect on him and he would no longer seek vengeance on the one who accidentally killed his relative.
