

Parsha Q&A

Parshas Shoftim

For the week ending 2 Elul 5756
16 & 17 August 1996

Parsha Questions

1. What is the role of *Shoftim*? What is the role of *Shotrim*?
2. May a judge accept a bribe, if only for the purpose of judging fairly?
3. What is the source for the concept 'Seek out a good *Beis Din*'?
4. Even though the *Avos* were permitted to use *matzeivos*, the Torah later forbade them. Why?
5. "You will come to ... the judge **who will be in those days** (17:9)." Since it's impossible to go to a judge who lives at a different time, why does the Torah add these extra words?
6. How many horses may a Jewish king own?
7. How many Torah scrolls must he have?
8. How was Shaul Hamelech punished for disobeying a 'minor' command of the prophet Shmuel?
9. What is meant by '*Nachalas Chamisha*' and '*Nachalas Shiva*'?
10. Certain kosher animals are not included in the *din* of *chazeh, shok, and keiva*? Which ones?
11. How many sheep must be shorn before the owner must give a portion of the shearings to a *Kohen*?
12. Which three categories of false prophets are executed?
13. What does it mean to 'prepare the way' to the cities of refuge?
14. How many witnesses are meant when the Torah uses the word 'witness'?
15. 'Through **the mouth** of two witnesses....' What types of testimony does this verse invalidate?
16. If witnesses in a capital case are proven to be '*zomemim*' (false-conspirators) **before** their 'victim' is executed, how are they punished?
17. Why does the section about going to war follow the laws governing witnesses?
18. The Jewish army is warned of four 'scare-tactics' the enemy might employ. What are they?
19. When a murder victim is found in a field, who determines which city is closest?
20. What happens to the murderer if he is found after the calf has had its neck broken?

"In order that he live long in his kingship... (18:20)" Why does the king need a special promise of long life?

I Did Not Know That!

"Who is the man who built a new house...planted a vineyard...betrothed a woman...? He should go return home lest he die in battle...." (20:5-7)

These military exemptions **do not** apply to the battle for the conquest of the Land of Israel. For this, even 'a bride from her canopy' goes out to the fray.

Bonus

A:

"Leadership positions bury those who occupy them (Pesachim 87)."
 Being in a position of leadership tends to shorten a person's life. It is for this reason as well that the blessing '*Yechi HaMelech!*' — 'May the king live!'— is offered at the king's inauguration.
