"and you shall take from the first of every fruit .... and you shall go to the place that Hashem has chosen (the Beis Hamikdash) .. and the cohen shall take the basket from you hand ..." (Devarim 26:2-4)

Hi Yos! What have you done so far with your new set of markers?

Nothing, dad. I'm a bit stuck. I want the "first fruits" of my markers to go to Hashem...

Hmm, but who would Hashem want your first picture to go to now?

Aha! That's it!

... if we had a Beis Hamikdash I think Hashem would want me to bring my first drawing there and give it to a cohen.
