Parshas Shmos 5758

My Rebbe is just like Moshe Rabenu!

Do you mean he could take care of a whole flock of sheep like Moshe Rabenu?!

Well, no, but he takes care of a whole class of boys!

Does he also talk to Hashem just like Moshe Rabenu?!

Not exactly, but he prays every day!

But did he ever split the sea like Moshe Rabenu?!

Well, he never split the sea...

...but once, he broke up a huge waterfight in the schoolyard!!
