Tomorrow, boys, we're going to visit the grave of Yosele the Tzadik!

After class, Pinny, you know you can't go to the cemetery tomorrow because you're a Cohen...

It's not fair, Rebbe!

...Who wants to be a Cohen anyway?

You'll see, Pinny, there are many benefits to being a Cohen...

Like getting the first aliyah in shul,

Bringing sacrifices and receiving terumah, a part of everyone's crops.

I guess I've got a pretty good deal, Rebbe, even if I can't go to Yosele the Tzadik's grave.

I just have one question...

...Do people have to give terumah from chocolate chip cookies?
